

Create a Lasting *Legacy*

If you love our community and want to share a piece of your pie to ensure it's always great, the Pie Society is for you!

The Pie Society is a giving society made up of generous donors like you who have promised to leave a portion of their estate, or a piece of their pie, to The Community Foundation for McHenry County. The amount of the gift is up to you. By making this commitment, you become a member of the Pie Society and we thank you for your generosity.

Pie Society members will receive occasional communications from The Foundation with information about legacy giving and will be invited to events exclusive to Pie Society members.

What is your favorite flavor of pie? _____

Would you like us to contact you with information about local advisors who can assist with charitable gift planning?

I would prefer to remain anonymous

Yes!

I've made the promise to leave a piece of my pie to The Foundation.
